

rapido **PLV**

C'est une nouvelle gamme de structures publicitaires,
pour mettre en avant des visuels, brochures, produits...

C'est un principe original de PLV basé sur une grande capacité
à évoluer d'une solution de présentation vers une autre...

C'est un choix responsable et amortissable sur un grand
nombre d'opérations...

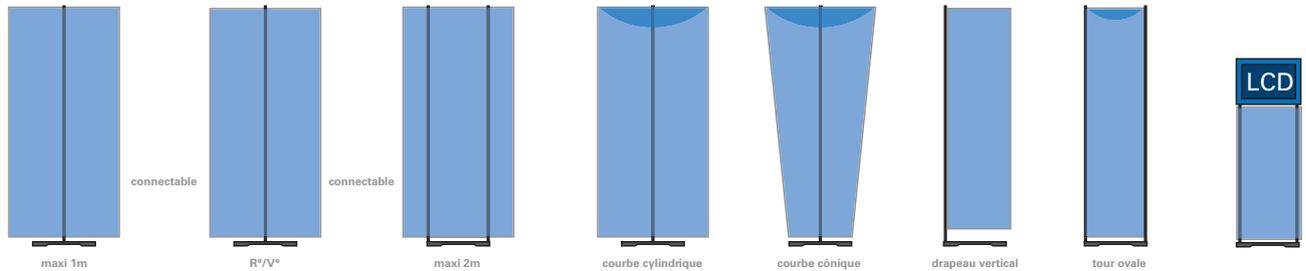

***un concept unique
pour des solutions multiples...***

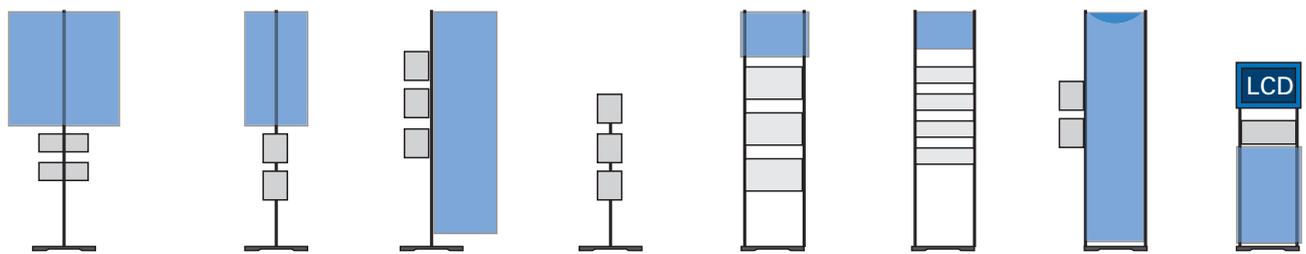

rapido **PLV**

un concept unique pour des solutions multiples...

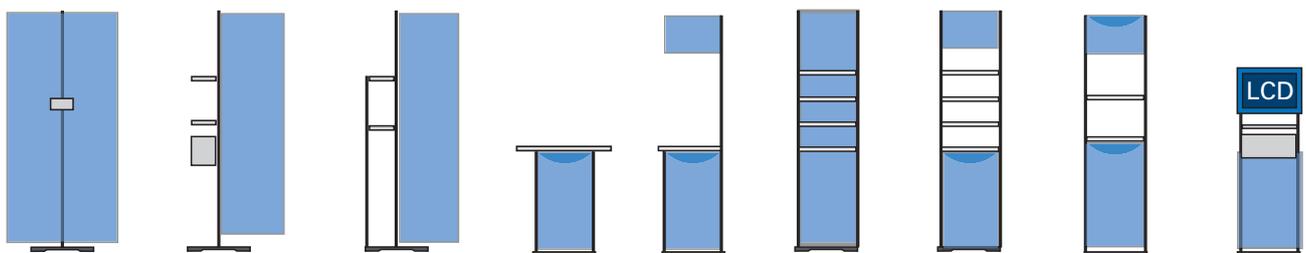

1/ visuels

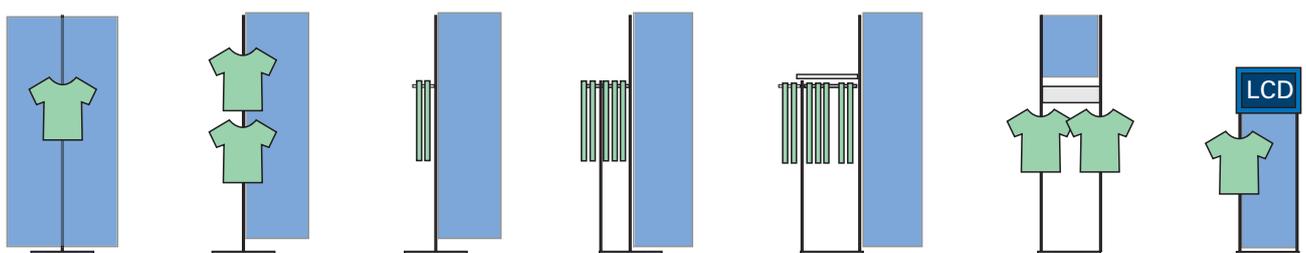

2/ brochures

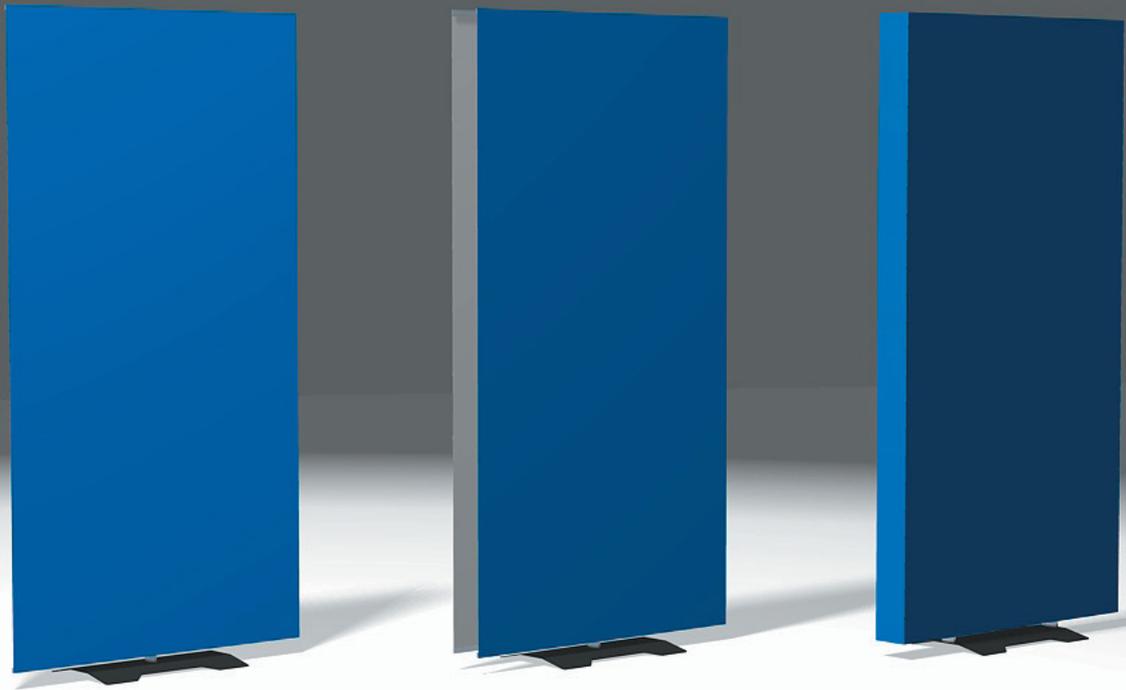

3/ produits

4/ vêtements

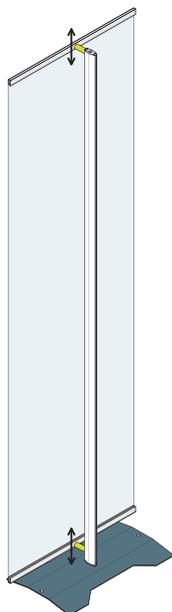

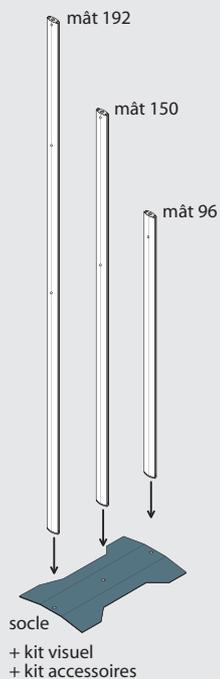

**Structures pour des panneaux souples ou rigides (formats et formes personnalisés)
et équipées de multiples accessoires standards ou sur-mesure.**
